TOGETHER, WE SAVE KIDS

A hearty meal... a shower... clean clothes... a warm, safe place to sleep...

Covenant House offers these basic necessities to any homeless kid who walks through our door today - with unconditional love and absolute respect - no questions asked and no strings attached.

Once a young person is staying with us, our program provides the structure they need to get off the street and on with their lives. Long-term transitional living, education, job training, health care, employment counseling, mother/child programs and pastoral ministry are among the many programs that help our young people take their first steps toward successful independent living. Thank you for remembering Covenant House as you think about your estate plans. Please contact us for more information or assistance. We look forward to speaking with you.

CREATE A LEGACY OF LOVE

Thoughtful Ways to Remember Our Kids

Covenant House

Opening Doors for Homeless Youth

Gain financial benefits for you and your loved ones and help Covenant House continue to bring hope and love to homeless kids

BEQUEST FROM YOUR WILL

A gift through your will or trust is perhaps the easiest and most flexible way to have a lasting impact on the lives of homeless kids. Specify a gift of any amount or percentage in your will, or name Covenant House as a contingent recipient of your gift. You maintain complete control of your assets during your lifetime. There may be tax savings depending on the assets you designate for a gift from your estate.

Your gift can be unrestricted, enabling Covenant House to direct your funds where future need is greatest, or directed to a particular program or Covenant House location of your choosing.

Please consult your attorney or tax advisor before making your estate gifts.

When you name Covenant House in your estate plans, please let us know so we can thank you and include you in our Cornerstone Society.

Cornerstone is Covenant House's group that recognizes those special friends who have made a commitment to help homeless kids through a lasting legacy of love.
